Christ Returneth! – Song of the month

\* It may be at morn, when the day is awaking, When sunlight through darkness and shadow is breaking, That Jesus will come in the fullness of glory To receive from the world His own.

**Refrain: O Lord Jesus, how long, how long Ere we shout the glad song— Christ returneth! Hallelujah! Hallelujah! Amen. Hallelujah! Amen.**

\* *It may be at midday, it may be at twilight, It may be, perchance, that the blackness of midnight Will burst into light in the blaze of His glory, When Jesus receives His own.*

\* While hosts cry Hosanna, from heaven descending, With glorified saints and the angels attending, With grace on His brow, like a halo of glory, Will Jesus receive His own.

\* *Oh, joy! oh, delight! should we go without dying, No sickness, no sadness, no dread and no crying; Caught up through the clouds with our Lord into glory, When Jesus receives His own.*

## SUFISM

For Tijaniyyah Muslims, celebrating the birthday of Muhammad is the most important gathering of the year. Originating in the 1780s in Algeria in reaction to the dominant Muslim order, Qadriyyah, the Tijanis are more focused on social reform, grassroots revival of Islam, and developing culture and education. The Tijaniyyah are an exclusive order, they are not allowed to belong to any other Sufi order. Repetition of holy phrases containing the name of God, short prayers aim at turning their focus towards God. **Pray for movements to Christ that are happening among some of these groups and for Christians who work among them.**
