My Father's Care – Song of the month

* O the sovereign power that guides me every moment of my days
O the weakness of my spirit that forgets and shrinks away
So when faced with tribulation, and my feeble understanding fails
May I honor Him who holds me Trusting in my Father's care.

* When the storms of life surround me, and the winds of worry blow
I remember not a sparrow falls, but God my Father knows
Not a war can rise against me that's beyond His strength to overcome
So I'll let my heart take courage Trusting in my Father's care.

* When my health and comforts fail me and I fear what lies ahead
I remember His good purpose is to heal through what I dread
And from pride to fully purge me till all strength is gone
but what He gives So I'll joy in every trial Trusting in my Father's care.

* When my failings overcome me and my sins are all I see
I remember Christ who suffered, setting guilty sinners free
So when condemnation rises, I will gladly let my burden go
He is faithful in forgiveness I will trust my Father's care.

* Though the fig tree fails to blossom, and the vine should bear no fruit
Tho' the produce of the olive and the harvest yield no food
Tho' the flocks be lost and scattered, and no herds remain
within the stalls Still, my joy shall fully flourish Trusting in my Father's care.
